Re: Nomination of City of Shreveport
Mineral Acreage for Oil, Gas and Mineral
Lease Section 6, T17N-R14W and Section
Caddo Parish, Louisiana

Dear Malcolm Stadlander

It is the purpose of this letter to inform the City of Shreveport (hereinafter "City") that Cypress Energy Partners (hereinafter "CEP") desires to acquire an Oil, Gas and Mineral Lease from the City covering approximately 8.5676 Gross acres and 8.5676 Net acres, more or less, situated in the above referenced Section, Caddo Parish, Louisiana. It is our understanding that the City must review our proposal and issue a Resolution authorizing the State Mineral Board of the State of Louisiana (hereinafter "Mineral Board") to act on its behalf in a future Louisiana State Agency Lease Sale.

CEP respectfully request that our lease proposal be included on the agenda for consideration at the next Shreveport City Council Meeting. It is our wish that the City authorize Resolution granting the Mineral Board authority to lease the hereinabove reference lands on behalf of the city.

Should the City agree to grant a Resolution for the purposes specified herein, upon our receipt of the same we will deliver it along with all required documents and applications to the Office of Mineral resources.

Enclosed is a plat and description of the properties our proposed nomination will cover.

Yours Very Truly
