This ordinance is intended to allow business buyers to apply for and receive a temporary alcohol permit prior to the final sale closing, ensuring continuity of operations for existing and ongoing businesses. The ordinance also provides needed flexibility for commercial projects that require proof of licensure before proceeding with costly build-outs or renovations.

BACKGROUND INFORMATION

Current 10-45 limits eligibility for temporary alcoholic beverage permits to out-of-state entities which own 5 or more locations. This amendment will foster a more transparent, predictable, and business-friendly environment through a modernized Temporary Alcohol Permit process.
