PURPOSE

To modify funds in project C21003, District 3 Road Rehabilitation, Planning and Construction to create a new project in Program G titled "District 3 Lighting and Beautification."

BACKGROUND INFORMATION

In 2024, \$450,000 was obtained by Representative Tammy Phelps, from State District 3, for lighting, road repair and improvements. The funds were placed in an already existing project, C21003, District 3 Road Rehabilitation, Planning and Construction. After a few preliminary project meetings, it is apparent that it will be more beneficial to place these funds in a new project that focuses on lighting and beautification in District 3. Lighting plans are already in place with beautification plans, between Representative Phelps, SRAC and the City, in production. Most work will take place at or near Interstate 49.
