Amendment read as follows:

AMENDMENT #1 TO ORDINANCE NO. 120 OF 2024

AMEND THE ORDINANCE AS FOLLOWS:

Delete the original ordinance and substitute in lieu thereof the attached ordinance.

EXPLANATION OF AMENDMENT:

This is the Administration's amendment. The original ordinance assumed that the \$88 million in projects from the 2024 bond issue would be appropriated before the 2025 budget was adopted. Since that did not happen, all of those projects need to be appropriated as new projects in the 2025 budget. This amendment also adds the funds (\$28.9 million) from the second sale of 2021 bonds. Funds from both of these bond sales will be available soon. It also adds funding for two Airports projects, with the main one being \$36 million in State and Federal funds for a new control tower at Regional Airport.
