RE: Shiraz Hussain alcohol permit request for United Liquor and Food mart,
800 Pierre, Shreveport LA 71103

Dear Clerk of City Council:

I am writing to follow-up on the progress for United Liquor and Food Mart's alcohol permit. Please take note of the following updates:

- Renovations have begun on the interior of the building;
- The old meat box that was not used has been removed;
- The shelving is being repaired, cleaned, and painted;
- A mold company has been contacted to inspect the property;
- A pest control company will be providing monthly service;
- I have spoken to Cpl. Bradley with the Shreveport Police Department and informed him of the work being performed on the building and updated him on the progress;

On my recent visit to the store, people were standing at the old school area but not on the property at 800 Pierre Ave.

The security camera system is working and has been in place for an extended period of time. Further, all expired food has been removed. The work has begun and I will reinspect the building each month and notify the council of the progress.

Sincerely,

Ronald Miciotto

CC.
