PURPOSE

To update the enforcement and penalty provisions under Chapter 74 of the Code of Ordinances to improve compliance with solid waste regulations by clarifying the 24-hour notice requirement prior to issuing citations for noncompliance, and by adding costs of administration and removal to the penalties for a collection violation.

BACKGROUND INFORMATION

Chapter 74 of the Code of Ordinances governs the collection and disposal of solid waste within the City of Shreveport. Section 74-33 provides for a warning sticker with a 24-hour period to cure before a citation can issue. Section 74-57 creates a tiered penalty structure to escalate fines for repeated violations.

This ordinance allows the form of the 24-hour notice to be a placard or other posting and adds costs for administration and removal to the penalty, along with the fine. These amendments aim to enhance code enforcement efforts, deter ongoing violations, and support the Department of Public Works in maintaining cleaner and safer neighborhoods.
