PURPOSE

To amend the Property Standards budget for 2025.

BACKGROUND INFORMATION

As of early June, Property Standards had expended 90% of its Contractual Services funds (grass-cutting, securing structures, care of premises, etc.) and all of its Other Charges funds (demolition). Recent increased sales tax revenues have made it possible to increase these amounts by a total of \$900,000. This may not be enough to get them through all of 2025, but should be adequate until we have a better picture of sales tax trends for the year.
