PURPOSE

To adopt the 2025 budget for the Riverfront Fund.

BACKGROUND INFORMATION

The proposed 2025 budget for the Riverfront Fund is \$9,609,000, about 8% larger than the original 2024 budget. Current-year revenues are assumed to be flat, but the budget is larger because of higher balances from prior years. The funds will be used to pay for the Fair Share office and the Economic Development Director, as well as for various civic appropriations (maintained at their 2024 funding level) and the City's support of the Convention Center (\$2,200,000). There is a transfer of \$4,350,000 to the General Fund to offset the impact of lower sales tax revenues. A reserve of \$879,900 is budgeted.
