AN ORDINANCE TO AMEND SECTION 94 -163 b AND g OF CHAPTER 94 OF THE CITY OF SHREVEPORT, LOUISIANA CODE OF ORDINANCES RELATIVE TO BILLING AND COLLECTIONS AND TO OTHERWISE PROVIDE WITH RESPECT THERETO.	December 5, 2024	WATER & SEWERAGE		

PURPOSE

To amend Shreveport City Code Chapter 94 Section 163 b and g to increase deposit amounts for construction or roving meters and add a deposit for 12” meters and Apartments/Master Meters.

BACKGROUND

The Department of Water and Sewerage requires a monetary deposit for connection and use of construction or roving meters. This ensures payment for water used and ensures return of the equipment. The current deposit required is \$500.00 which does not adequately protect the Department’s interest. This ordinance amendment increases the deposit amount to \$2,000.00. The Department also utilizes 12” meters which does not have an established deposit rate. This amendment sets the deposit rate for 12” meters at \$10,000.00.

The Department desires to add a deposit of \$100.00 per apartment in multi-family dwellings. This covers connection costs and ensures payment if customer defaults.
