**PURPOSE**

To adopt the 2025 budget for the District “A” TIF District

**BACKGROUND INFORMATION**

Earlier in 2024, the Council first authorized the creation of this district and then authorized creating the fund which will be used to account for it. The sales tax office will have begun collecting its revenues before the end of 2024, but there is no way to know how much revenue will be generated. Thus, this budget contains numbers that may well change, once we have a few months of data. This ordinance places all of the expected revenues into a Reserve account, pending decisions on where the money might be spent.
