PURPOSE

This ordinance is needed to officially close and abandon a 20' wide alley dedication in the Wimbish Subdivision.

This proposed ordinance will have direct impact on Council District B.

BACKGROUND INFORMATION

The Office of the City Engineer has received a petition from S & O Capital, LLC and Samih Ali to close and abandon the 20' wide alley between their properties in the Wimbish Subdivision in Section 32 (T18N-R13W). This subdivision was recorded in May 1904, in Book 33, Page 770, of the Conveyance Records of Caddo Parish, Louisiana. The alley lies between Lots 5, 6, 7, & 71; as shown on the attached plat. The petitioners own 100% of the adjacent linear footage of the alley of the proposed closure and abandonment. There are water and sewer mains in this alley along with certain drainage structures; therefore, the City of Shreveport will be retaining a permanent utility servitude over the entire area until these facilities are re-located as part of the development plans. The Metropolitan Planning Commission approved this closure and abandonment on November 1, 2023.
