PURPOSE

To authorize the Mayor to sign a lease that will allow SPD to relocate Patrol's Area 4 out of 1234 Texas Avenue.

BACKGROUND INFORMATION

The Administration has for some time searched for a place which would be suitable to relocate Area 4 of SPD's Patrol Division. After several sites proved unsuitable, SPD was advised that a portion of the King's Temple UPC was available. This section of their building currently houses their school, which is being relocated. Only limited interior work will be necessary before Area 4 can move in. The site will not be available until late June, as King's Temple will be using the space for their school and for some summer camps until then. The proposed lease space is approximately 6,500 square feet and has ample parking. The proposed lease is for three years, with two additional two-year options. This is needed because Area 4 will not be housed in any of the three substations funded from the 2021 bond issue. The proposed rent is \$9,125 per month (partial rent of \$2,200 for June), which includes all utilities.
