**PURPOSE**

This ordinance is needed to officially close and abandon a portion of the Old Flournoy Lucas Road dedication in Section 8 (T16N-R13W).

This proposed ordinance will have direct impact on Council District D.

**BACKGROUND INFORMATION**

The City of Shreveport has received a request from Progressive Pet Care LLC to close and abandon a portion of the Old Flournoy Lucas Road right-of-way in front of their property at 267 E. Flournoy Lucas Road. They are in the process of preparing plans to build a new veterinary hospital on their property and need additional area. There are power lines, gas mains and other utilities within this right-of-way, so the City will be retaining permanent utility servitude over the entire area to be closed and abandoned until these facilities are re-located. The Metropolitan Planning Commission approved this proposed closure and abandonment on December 14, 2022, with a vote of 6 to zero in support.
